Their exploits and adventures have been shared for centuries through stories, written poetry and prose, and even stage and film productions. The classic tales of good versus evil are timeless, as is the public’s thirst for exciting narratives about heroes and their triumphs. The Titans (the most well-known of the Greek gods and goddesses) laid the foundation for the modern superheroes we enjoy today. We will compare the themes and messages of Greek myths with those of modern superheroes, write descriptions of new characters to add to the Greek “pantheon”, consider the take-away lessons from these stories, create comic books, screenplays, and more!</i></p> <p><b>Note: This is <u>not</u> a class designed to teach basic grammar. Shakespeare's stories have always proved fascinating to young children. Shakespeare is for kids. When incorporated into your student's learning, your student will learn to appreciate Shakespeare's contribution to the arts and the English language, and will form a lifelong appreciation for this great poet and playwright. Not only will students read about Shakespeare and read his works, but they will learn about his life and times through skits and hands on activities. Staging swordplay, learning to juggle, and creating costumes bring the theater arts to life. Making a quill pen and using it to write a story, binding a simple book by hand, creating a fragrant pomander ball and a dish of stewed apples show what daily life was like in Elizabethan times. Inspired by scenes from Shakespeare's works and plays, the students will invent new words, write songs and sonnets, and devise scathing or comical insults just as he did.</i></p> <p><i>Note: This is not a class designed to teach basic grammar. It is a hands-on literature appreciation class</i></p>	<p><b>Supplies:</b> Notebook with paper, pencils</p>
