

Thanksgiving Preparations

**"Don't forget the corn cobs,
Don't forget the cake,
Don't forget the leaves,
And don't forget the rake.**

**"Be sure to get the pudding,
Be sure to get the turkey,
Be sure to get the apples,
And be sure to bring the jerky.**

**"Remember to make the punch,
Remember to make the pie--"
"I get it! I get it!"
Said poor mother with a sigh.**
