

WELCOME TO INSPIRE!

Voted Best in Georgia by the Georgia Business Journal and with two locations conveniently located in Hiram and Douglasville and serving the Paulding and Cobb, Douglas and Carol Counties, we are a physical in person one-day a week Christian homeschool program focusing on the needs of the traditional homeschooling family. We are here to support the learning going on in the home. Our classes are all a la carte - you may take as few or as many as a student would like.

While we offer traditional core classes like science, math and literature, we also have an extensive elective program offering things such as arts, music, STEM, theatre and many more. We have a Middle School, JV and Varsity sports program which offers cheerleading, basketball, volleyball, clay sports, trout fishing and running this year - additional sports expected to be added.

In addition to classes and sports, we offer clubs and activities such as field trips, homecoming, prom, cap-and-gown graduation, and parental support.

We are excited to announce we have a day for Elementary students on Mondays in Hiram. Middle school and High School meet on Tuesdays in Hiram. Our Thursday Douglasville program serve a mix of classes for all grades. Also offer a 3 hour Kindergarten class for students who would rather stay with one teacher for a block and not change classes. Our average class size is 8. Our enrollment breakdown is approximately 40% high school, 35% middle school, 25% elementary.

Enclosed in this email is enrollment information for the 2024-25 school year. Enrollment is now open and we are accepting new students. The grades listed are suggested grade levels for classes; you know your child best and what level they are comfortable working at and capable of and are always welcome to choose the best class for your child.

Please feel free to look over the information and let me know if you have any questions.
