

INSPIRE HOMESCHOOL ACADEMY 2025-2026

ELEMENTARY SCHOOL K-5th

MONDAY

COURSE DESCRIPTION and SUPPLY LIST

Listed by Subject and Time

Updated 3-4-2025 ****Subject to slight alteration and modification.*

STUDY HALL AND LUNCH

		Cost	Description	Supplies
STUDY HALL	Hourly classes 9:00 am until 4:00 pm	Study hall hours are charged at \$10 per month per study hall hour	<i>Study Hall is meant to be used between two classes that a child has scheduled, or when a student must be on campus early/late because they are waiting for a sibling. It should not be scheduled as a "social hour".</i> <i>You must sign your child up for Study Hall for them to be able to stay.</i> <i>***PLEASE NOTE: If you are taking private music lessons, a free half hour of study hall time is included in your lesson time.</i>	Supplies: Bring schoolwork to do or just socialize with friends by playing board games, doing puzzles or reading books. Students may not use computers, tablets, or phones during study hall.
LUNCH	12 noon until 1:00 pm	\$10 per month	<i>Lunch is from Noon until 1 pm. If it is nice out we will eat then enjoy some outdoor recreation whether it's just sitting and talking with friends, playing gaga ball or basketball, or just enjoying the sunshine. On bad weather days we will eat in the study hall then enjoy some inside recreation time.</i> <i>You must sign your child up for Lunch for them to be able to stay.</i>	Supplies: We do not have a refrigerator or microwave available. Students are requested to bring a ready to eat bagged lunch and drink with them.

In order to ensure adequate daily coverage for Lunch and Study Hall, we employ full time lunch monitors and charge a small amount for lunch and study hall periods.

Parents can earn Tuition Credits by working as full time Lunch Monitors or Hall Monitors. These slots fill up fast and are not guaranteed.

You will have an opportunity to sign up as we get closer to fall.

KINDERGARTEN

SCIENCE

	Class Info	Cost	Description	Parent is responsible for purchasing:
JUNIOR SCIENTISTS: HANDS-ON SCIENCE	Junior Scientists: Hands-On Science Adventures 1st - 2nd Grade 1:00 pm Monday 3rd – 5th Grade 11:00 am Monday <i>Class Limit: 8</i>	\$50 per month \$25 supply fee	<i>Get ready to explore, experiment, and discover in Junior Scientists—a fun, hands-on science class designed just for curious minds in grades 1-2 and 3-5! Each week, young scientists will dive into exciting experiments, explore the wonders of nature, and uncover the magic of science through interactive activities. From fizzing chemical reactions to simple physics experiments and fascinating biology discoveries, this class makes learning science fun and engaging. With plenty of hands-on exploration and creative problem-solving, students will develop a love for science while asking big questions and making exciting discoveries!</i>	Supplies: Notebook, pencils, crayons
GEOLOGY JOURNEYS: ROCKS & MINERALS	Geology Journeys: Rocks & Minerals 1st - 2nd Grade 2:00 pm Monday 3rd – 5th Grade 3:00 pm MON <i>Class Limit: 8</i>	\$50 per month \$25 supply fee	<i>Embark on an exciting adventure into the world beneath our feet! In Geology Journeys, elementary students become real rockhounds as they explore the fascinating science of rocks and minerals. Through hands-on experiments and interactive lessons, you'll learn about different types of rocks, how minerals are formed, and what makes our Earth so unique. Get ready to collect samples, test their properties, and discover the hidden secrets of geology—all while having a rock-solid good time!</i>	Supplies: Notebook, pencils, crayons

STEM & TECHNOLOGY

	Class Info	Cost	Description	Parent is responsible for purchasing:
INVENTORS WORKSHOP	Inventors Workshop: Building and Design 3 rd – 5 th Grade 9:00 am MON Class Limit: 8	\$50 per month \$10 supply fee	<i>Step into the world of imagination and innovation in Inventors' Workshop: Building & Design! This hands-on class is perfect for young creators who love to build, tinker, and bring their ideas to life. Students will explore the basics of engineering and design through fun, interactive projects using a variety of materials—cardboard, recyclables, and more! From designing bridges to crafting their own inventions, kids will develop problem-solving skills, creativity, and teamwork. Get ready to build, test, and improve your creations as we discover the exciting world of invention together!</i>	Supplies: Notebook, pens, pencils May be asked to bring in supplies such as recyclables from home.
ROBOTICS 1: INTRO TO VEX GO	Robotics 1: Intro to VEX GO ROBOTICS 3 rd – 5 th Grade 9:00 am MON Class Limit: 8	\$50 per month \$25 supply fee	<i>Step into the exciting world of robotics with our Intro to VEX GO class! This hands-on course lets you build, program, and test your very own robots using the easy-to-use VEX GO system. You'll learn the basics of mechanical design, coding logic, and teamwork as you follow the design process to create robots that take on fun challenges. Experiment with sensors, try out different coding commands, and use trial and error to see what works best. Join us to explore, innovate, and think like a real engineer while having a blast with robots!</i>	Supplies: Notebook, pens, pencils
SCRATCH:CODING SCRATCH:JUNIOR	Scratch: Coding 3 rd – 5 th Grade 10:00 am MON Scratch:Junior 1 st – 2 nd Grade 11:00 am MON Class Limit: 8	\$50 per month \$10 supply fee	<i>Scratch is an introductory coding course that gives elementary students a solid foundation in programming and computational thinking. Using Scratch—a fun, visual, block-based language—students will create interactive projects like games and animations. Throughout the course, learners will explore fundamental programming concepts while developing their problem-solving skills in a creative, hands-on environment. Perfect for curious minds ready to embark on a magical coding adventure!</i>	Supplies: <ul style="list-style-type: none"> • For SCRATCH: JUNIOR - An iPad or Android tablet with the app downloaded is all that is needed. The device does not need to connect to the wifi. • For SCRATCH:CODING Supplies needed: Laptop or tablet with keyboard with a web browser. Older laptops are fine.
ROBOTICS WITH BOTLEY	Robotics with Botley 1 st -2 nd Grade 1:00 pm MON Class Limit: 8	\$50 per month \$10 supply fee	<i>Get ready for a fun robotics adventure with Botley 2.0! In this hands-on class, you'll learn how to build, code, and solve cool challenges with your Botley robot. You'll discover how to give commands, create fun obstacle courses, and explore how sensors help your robot "see" its world. Each class is packed with games, puzzles, and exciting projects that make learning about coding and engineering a playful adventure. No experience is needed—just bring your curiosity and get ready to have a blast with robots!</i>	Supplies: Notebook, pens, pencils
LEGO: ENGINEERING	LEGO Engineering 1 st – 5 th Grade 3:00 pm MONDAY Class Limit: 8	\$50 per month \$10 supply fee	<i>Get ready to build and explore in LEGO Engineering! In this hands-on class, elementary students will dive into the exciting world of engineering using LEGO bricks. You'll learn how to design and construct imaginative structures while discovering basic engineering concepts like balance, stability, and creative problem-solving. Through fun challenges and group projects, you'll experiment with different building techniques and bring your wildest ideas to life. Perfect for curious minds who love to build and innovate, this class turns learning into a playful adventure!</i>	Supplies: Binder with loose leaf paper, pencils

Please order your books EARLY! With the rise in homeschooling, we are finding many big name national publishers run on extreme backorder as it gets closer to fall (Apologia, BJU Press) with several weeks waiting period for books.

Some places to find the books are:

Christian Book - PLEASE use our affiliate link:
