

The “Hey Google” Phrases were played for Siri without the “Hey Google”
 The three latter non “Hey Google” phrases were played to Apples dictation
 service on my phone.

Green = Answered Correctly

Yellow = Understood something but it wasn't accurate

Red= did not detect or was entirely inaccurate

	“Hey Google, What’s the weather like in vienna today?”	“Hey Google, Have you ever baked a cake?”	“I parked under the parking sign.”	“Round the rugged rock the ragged ran.”	“She sells seashells by the seashore.”
